Appellants' Request for Clarification of the Record as follows:

Appellants enclose evidence herewith showing that the Appeal Brief was timely filed on May 23, 2003. Enclosed is a copy of the Appeal Brief cover sheet showing a certificate of mailing of May 23, 2003. Also enclosed is a copy of the return receipt postcard having the serial number, docket number, item listing (i.e., "Brief of Appellants"), and USPTO mail date stamp thereon. The USPTO mail date stamp shows that Appellants' Appeal Brief was indeed received in the USPTO on May 27, 2003.

The return receipt postcard serves as *prima facie* evidence of receipt in the USPTO of all the items listed thereon on the date stamped thereon by the USPTO (MPEP 503). Therefore, the return receipt postcard, with the listings thereon having been checked by the USPTO with the items actually filed, in accordance with MPEP 503, confirms that Appellants' Appeal Brief was indeed timely filed. If necessary, the express mail label number for the Appeal Brief can also be used to verify its filing date as May 23, 2003.

Thus, Appellants have presented evidence that the Appeal Brief was timely filed and received by the USPTO. Appellants respectfully request acknowledgment thereof by the Office. Appellants also respectfully request that the record be clarified to show that the Appeal Brief was timely received by the USPTO on May 27, 2003. As a courtesy to the Office, a copy of the Appeal Brief previously filed on May 23, 2003 is enclosed herewith.

Respectfully submitted,

Ralph E. Jockey Reg. No. 31,029
